The BLOCK of

GOOD NORWAY MAPLES

illustrated in our advertisement September 18th
HAS BEEN SOLD

We doubt if any advertisement created so much spontaneous interest as did this one, inquiries reaching us by mail, telephone and telegraph from the Middle West and throughout the East.

We have another block of **NORWAYS** of equal quality, transplanted April, 1924. These will not be offered for sale prior to September, 1927.

In the meantime we have for immediate disposal other specimen trees in the following varieties:
